

Social Media Marketing

i I can show the process, the feedback, and the final result.

LEARNING OBJECTIVES

SUMMARY AND NEXT PATH

4. Exercises and assignment 5. Mini project 6. Career path

Write down what success looks like. Before opening your issues use a folder to store decisions, files, open projects, final responses and a README.

CHALLENGE TASK

BEST PRACTICES Consider and produce three rough options before selecting one. Compare them against the brief, not personal preference.

" Keep source files organised. " Name versions clearly. " Back up work.

1. Write the user or client goal. 2. Collect two useful references. 3. Break the outcome into small parts.

COMMON MISTAKES

Stating without the required format; Discuss without the understanding; saying something, reporting the wrong format; and presenting
